Suggestions for Quality Enhancement and NAAC Accreditation (If any)

IQAC RECOMMENDED THE FOLLOWING:

1. The institution is advised to set-up academic councils for the different disciplines and streams such as the Science Council, Humanities and Social Science Council and the Council of Commerce.
2. Maintenance and improvement of the current established processes in the functioning of the college.
3. The college established at the district headquarters needs to have substantial hostel facilities for girls, boys and the faculty so that they are able to spend time at the institution rather than spend only a few hours there. This would obviate the requirement of opening colleges in name only in remote areas and lead to develop a better human resource in Uttarakhand.
4. Updating of the website of the institution.
5. Possible creation of web pages for all departments entailing name, qualifications and other details of the faculty.
6. Implementing a dress code for students so as to diminish the possible differentiation on account of gender, background, class, religion etc.
7. Arrangement of fresh set of furniture for the classrooms.
8. Arrangement of at least one set of RECORDING STUDIO facility for teaching to record their lectures.
9. Engagement of the college as well as different departments with external agencies by way of MOUs.
10. Arrangement of Play ground to promote students for succeeding in out-door games.
